

SANCIDF Statutory Budget

(PRJ-0038-2014)

SA National Committee of International Dairy Federation (SANCIDF) -

Quarter 2 2014 (April 2014 till June 2014)

Project goals

Goal 1 - Review SA Representatives on IDF bodies (Standing Committees, Action Teams, etc)

Achievements

No replacement on for Prof Cheryl Mccrindle on SC animal health have been found yet. The Executive Committee is still trying to find a suitable person. After discussions with the CEO of Milk SA, it was decided to integrate, as far as possible, SA members of IDF Standing Committees with members of Milk SA Advisory Committees. A standing item on Advisory Committee agendas will in future be "Matters referred by/to SANCIDF

Non-achievements / underperformance

A suitable replacement could not be found for Prof Cheryl McCrindle

Reasons for non-achievements / underperformance

Possible candidate has not replied

Planned remedies for non-achievements / underperformance

Efforts will be made in the next quarter to find a suitable candidate

Goal 2 - Input by SANCIDF and SA representatives on IDF bodies to the IDF

Achievements

Four questionnaires were received during this quarter and replies to all four of them were returned to IDF. Subjects of the Questionnaires were:

- Quest 0314: SC AMAC - detection of antibiotic residues
- World Dairy Situation data of South Africa
- Quest0214: Summary of replies: retain the vertical standard of ISO 14891|IDF 185
- Quest0414: Endorsement of Dairy Sustainability Framework

No Non-achievements / underperformance has been reported

Goal 3 - Inform dairy industry role-players of IDF publications in The Dairy Mail and Milk Essay

Achievements

The following publications were received from IDF in this quarter:

- Standard: IDF 087-ISO 17758 (2014)– Instant dried milk - Determination of dispersability and wettability"
- Bulletin: 471/ 2014: Detection of inhibitors and antimicrobial residues in milk and dairy products by screening methods - Guidance on preparation of the test portion
- Special Issue: SI1401 - importance of salt in manufacturing and ripening of cheese

As the deadline for submission of articles for The Dairy Mail is more than one month ahead of the publication date, the following articles were published in The Dairy Mail:

- April issue: - Standard 20-1/ISO8968 (Standard was received in the previous quarter)
- July issue: - Bulletin 471/2014
- August issue: - Standard 087/*ISO17758

No Non-achievements / underperformance has been reported

Goal 4 - Make information produced by the IDF (Bulletins, Standards and Newsletters) available to levy payers and the general public

Achievements

Bulletins and Standards:

Articles on Bulletins and Standards received during this quarter, were published in The Dairy Mail (see Goal 3) These Bulletins and Standards were also sent to SANCIDF member representatives and Milk SA CEO.

The following Newsbriefs, Press releases and Fact Sheets received during this quarter, were all sent to representatives of processors and milk producers as well as to all SA representatives on Standing Committees. These Newsbriefs, Press release and Fact Sheet were also uploaded on the Milk SA website
