Achievements

IDF WDS 2015 was published at the iDF Conference in Vilnius in September 2015. A summary report will be furnished in November 2015. The following is a summary of the salient points mentioned in the presentation by Me Veronique Pilet in her presentation.

Total milk production during 2014 is estimated at 802 million tonnes, a significant increase of 3,3% on 2013. Higher production resulted in higher trade and 9% of total dairy production was traded internationally. Dairy prices decreased during 2014 and into 2015. Mergers and acquisitions are intensifying and is becoming increasingly global. In 2014 global per capita dairy consumption was estimated at 110,7 kg. According to OECD and FAO it should increase by 13,7% by 2023.

No Non-achievements / underperformance has been reported

Goal 7 - Report on attendance of the IDF Standing Committees and World Dairy Summit proceedings (December)

Achievements *The report will at least summarize the proceedings of the Standing Committee on Farm Management and conferences that will be attended by Dr Coetzee. For each committee / conference, a report of at least 700 words will be presented.*

The following Standing Committee meetings and Conferences were attended:
