Achievements

There were three activities, two associated with being a member of the SCENV of the IDF, and the other in support of the IDF's involvement with the FAO and other organizations. The first

involved comments on the latest draft of the IDF's Biodiversity Guide, which was requested by Dr Delanie Kellon of the IDF. The SA SCENV representative previously made extensive inputs to earlier drafts of the Biodiversity Guide. The comments have now be consolidated and the final draft of the Biodiversity guide should be available early in 2017

The second concerns the IDF SCENV document on Water Footprint Guidelines, which is a 89 page document. The comments/recommendations of the SA SCENV representative are attached.

In the third activity the SA SCENV representative provided comments/recommendations to the High Level Panel of Experts (HLPE) on Food Security and Nutrition to the document on Nutrition and Food Systems, which is a 110 page document. This is a FAO initiative in which the IDF participates. The response of the SA SCENV representative is attached.

No Non-achievements / underperformance has been reported
