

Regulations and Standards Project of Milk SA
(PRJ-0265-2020)
Dairy Standard Agency

Quarter 1 2020/2020 (January 2020 till March 2020)

Project goals

Goal 1 - Deliberation of industry regulations relating food safety, product composition, metrological and related standards as well as voluntary industry related standards e.g. animal welfare and related matters

Achievements

DSA as project manager of the Milk SA Regulations and Standards Project consulted regularly with the organised dairy industry via the Regulations and Standards Project of Milk SA regarding regulatory matters with specific reference to the appointment of the DAFF Assignee. The management committee of the project continuously interacted via electronic correspondence with the members of the Advisory Committee and where applicable, outcomes of correspondence were forwarded to the organised dairy industry on a formal and informative basis or by requesting comments on regulations and standards. Priority was given to the progress of the court case against the Minister of the Department of Agriculture, Forestry and Fisheries, the DAFF Executive Officer and the appointed Assignee. Additional matters dealt with by this committee included:
