

Regulations and Standards Project of Milk SA
(PRJ-0265-2020)
Dairy Standard Agency

Quarter 3 2020/2020 (July 2020 till September 2020)

Project goals

Goal 1 - Deliberation of industry regulations relating food safety, product composition, metrological and related standards as well as voluntary industry related standards e.g. animal welfare and related matters

Achievements

The Project management of the Regulations and Standards Project of Milk SA consulted regularly with the organised dairy industry with specific reference to the appointment of the DALRRD assignee and regulatory matters. Regular interaction between the project management and the Milk SA legal team continued during the third quarter. Matters highlighted relates to:

Extended Producer Responsibility (EPR) regulations under the National Environmental Management: Waste Act. Extended Producer Responsibility webinar for the dairy industry was held on 22 September 2020;

SABS SANS 1694 and interaction with the Livestock Welfare Co-ordinating Group as well as NSPCA to propose amendments to the standard;

Consumer Goods Ombud - enforcement of regulations on the dairy industry, in particular the secondary dairy industry;

The Buyer Power Regulations promulgated under the Competition Act, 89 of 1998;

BFAP - Agriculture and Agro-Processing Master Plan (AAMP).

No Non-achievements / underperformance has been reported

Goal 2 - Liaison with industry and statutory bodies in terms of draft, promulgated and repealed legislation and effective communication through the Milk SA organisational structures

Achievements

Liaison with the respective government departments as well as related parastatals continued through the third quarter with effective communication to the industry via Milk SA.

No Non-achievements / underperformance has been reported

Goal 3 - Liaison and consultation on an internal and external basis and

comment within specified time frames via Milk SA organisational structures

Achievements

Comments relating to draft legislation, industry surveys and feedback reports were completed in the required time frames for submission to the respective institutions.

No Non-achievements / underperformance has been reported

Goal 4 - Report to industry via Milk SA structures

Achievements

Reporting to industry regarding regulatory matters were done electronically via Milk SA. Support to individual members were conducted telephonically as well as via e-mail where interpretation was necessary.

No Non-achievements / underperformance has been reported
