

Skills and Knowledge Development in the Primary Industry

(PRJ-0295-2021)

Milk Producers' Organisation

Quarter 4 2021/2021 (October 2021 till December 2021)

Project goals

Goal 1 - Continuous evaluation of the current dairy occupational curriculum to determine whether amendment is necessary to the curriculum design, learning materials, assessment tools or quality management system. Amendment depends on technology development, production procedures and requirements set by relevant bodies in the public and private sector

Achievements

The modules of the Dairy Supervisor part qualification have been uploaded on a custom online store, "Optimi Classroom". The online store makes provision for classroom and/or self-study of the knowledge component of the occupational qualification. The custom store will be operational from March 2022.

The MPO concluded an MOA with a commercial dairy farm in KZN for the implementation of the Dairy Occupational qualification. The QCTO requires MOA's with clients for the implementation of the work experience component.

No Non-achievements / underperformance has been reported

Goal 2 - Interactions in respect of acts, regulations, policies, procedures as well as skills and knowledge development needs in the dairy industry, with authoritative bodies in the public sector and representatives of other industries

Achievements

08 Oct 2021. The MPO attended the AgriSeta AGM. The programme included the Chairperson's Report, Annual Report of the Accounting Authorities Affairs, Financial Statements and Audit Report, as well as the AgriSeta's Annual Budget and Business Plans 2022/23.

The MPO submitted a discretionary grant project proposal for the implementation of dairy programmes. The proposal is based on a national dairy skill needs analysis and includes the presentation of short courses in the various dairy regions.

No Non-achievements / underperformance has been reported

Goal 3 - Promotion of skills and knowledge development in the dairy industry and guidance in respect of it to members of the dairy industry

Achievements

Several meetings and events took place that had a direct or indirect impact on the promotion and guidance of skills and knowledge development in the primary dairy industry.

14 Oct 2021. The MPO skills and knowledge development office attended the AgriSA annual congress.

14 Oct 2021. The MPO skills and knowledge development office attended the MPO EC AGM.

14 Oct 2021. The MPO skills and knowledge development office attended the MPO AGM.

19 Oct 2021. The MPO skills and knowledge development office attended the MPO National Virtual Congress.

20 Oct 2021. The MPO skills and knowledge development office attended the MPO KZN Central Committee meeting.

9 Nov 2021. The MPO skills and knowledge development office participated in the MPO strategic planning session. Structural changes within the MPO required a new strategic road map. Training remained a strategic objective of the MPO, and a new coordinating committee was appointed to align training with the MPO's new strategic focus.

8-9 Dec 2021. The MPO skills and knowledge development office attended three meetings in KZN focusing on skills and knowledge guidance to farmers for the implementation of the Dairy occupational qualification.

No Non-achievements / underperformance has been reported
