

MEMBERSHIP OF AND INTERACTION WITH THE INTERNATIONAL DAIRY FEDERATION

(PRJ-0297-2021)

SA National Committee of IDF

Quarter 2 2021/2021 (April 2021 till June 2021)

Project goals

Goal 1 - To maintain membership of IDF by paying the membership fees of IDF and IMP before 31 March 2021 at the best possible exchange rates

Achievements

The membership fee of R807 899 was paid in November 2020 due to the advance facility provided by Milk SA. This facility enabled the National Committee to pay the membership fee just after it was determined by the General Assembly on 2 November 2020 and thereby avoided the problem of foreign exchange losses that were often experienced in the past.

No Non-achievements / underperformance has been reported

Goal 2 - Review SA representatives on IDF bodies (SC'S, AT'S etc.) so that the best-qualified persons can represent SA on these bodies

Achievements

Due to his resignation as MPO CEO, Dr. Chris van Dijk resigned on 12 June 2021 as SA's primaries member of SC Farm Management and SC Animal Health and Welfare. No replacements has been appointed for him yet because the restructuring of MPO was still in progress

No Non-achievements / underperformance has been reported

Goal 3 - Ensure appropriate and timely (before set deadlines) inputs by SANCIDF and SA representatives on IDF bodies to IDF

Achievements

The following requests were received from IDF for information and will be replied to in the next quarter:

A request for input in the Special Edition of for the IDF Dairy Sustainability Outlook 2021 for the

UN Food System Summit, was received and processed by Dr. Colin Ohlhoff.

Questionnaire 0221/SCAMAC - Guidelines for the validation of qualitative screening methods for the detection of residues of veterinary drugs in milk and milk products - ISO/TS 23758|IDF RM 251.

Comments required on IDF Strategy 2022-2025

Comments requested on a note prepared by the IDF Board providing general principles for IDF potential work on cell-based, laboratory made dairy ingredients analogues

The following questionnaire was completed and returned to IDF

Questionnaire 0121, prepared by the SC on Analytical Methods for Composition, regarding guidance on sample preparation for physical and chemical testing of cheese. A summary of responses was received back from IDF.

No Non-achievements / underperformance has been reported

Goal 4 - Promote the forthcoming Global Dairy Conference amongst dairy industry role-players by forwarding all promotional e-mails to MPO/Sampro/DAFF representatives and South African SC members as well as articles about the GDC in industry publications

Achievements

No promotional material as such was received on the Global Dairy Conference during this quarter. However there was an article in the IDF World Newsletter (see Goal 10) about the Global Dairy Conference that is scheduled for 13-15 October in Denmark. T

No Non-achievements / underperformance has been reported

Goal 5 - To enable a delegation of four SANCIDF officials to take part in the Global Dairy Conference

Achievements

In the article on the GDC mentioned in Goal 4, it was mentioned that registrations will only open in August and registration fees are not available yet. There is a website for the event at <https://idfglobaldairy.org/> where more information can be obtained.

No Non-achievements / underperformance has been reported

Goal 6 - Delegates to the GDC to give meaningful feed-back to the local dairy industry within one month after the Summit in a format prescribed in a contractual agreement with SANCIDF

Achievements

Will only apply to quarter 4

No Non-achievements / underperformance has been reported

Goal 7 - Print and distribute to levy payers a collection of all delegates' reports

Achievements

Not applicable to this quarter

No Non-achievements / underperformance has been reported

Goal 8 - Fund travel and accommodation expenses to SANCIDF officials and SC members who need to travel to attend EC and AGM

Achievements

No traveling had to be funded during this quarter. With the facilities developed during the Covid-19 lockdown, it is now easy to accommodate participants from far off. locations.

No Non-achievements / underperformance has been reported

Goal 9 - Obtain annual reports from South African representatives on IDF bodies (Standing Committees, Action Teams, etc.)

Achievements

Not applicable to this quarter

No Non-achievements / underperformance has been reported

Goal 10 - Make information about documents produced by the IDF (Bulletins, Standards, Fact Sheets and Newsletters) available to levy payers and the general public by publishing the titles on the Milk SA website and in The Dairy Mail and Milk Essay

Achievements

During this quarter One Standard, 2 Bulletins and 15 News Items were received from IDF namely:

Standard

Standard IDF 171 | ISO 14501 "Milk and milk powder — Determination of aflatoxin M1 content — Clean-up by immunoaffinity chromatography and determination by high-performance liquid chromatography"

Bulletins:

Bulletin 510/ 2021: Inventory, evaluation and perspectives on methods for determination of somatic cell count.

Bulletin 511/ 2021: Guidance on the application of conversion equations for determination of microbiological quality of raw milk
