At their meeting on 30 Aug. 2021, the SANCIDF Executive Committee (E.C.) decided to appoint a working group to consider appointments on SC Farm Management and SC Animal Health & welfare to represent SA. The MPO has in the meantime suggested that Mr. Fanie Ferreira, Acting CEO of MPO, be appointed as SA representative on the SC Farm management. **Goal 4 - Promote the forthcoming Global Dairy Conference amongst dairy industry role-players by forwarding all promotional e-mails to MPO/Sampro/DAFF representatives and South African SC members as well as articles about the GDC in industry publications**

***Achievements***

There was only one Press Release on 30 August informing the dairy community that registration was open for the IDF Global Dairy Conference (GDC) in Copenhagen where world dairy experts were to gather on 13 to 15 October 2021. This press release was sent to all industry members involved with SANCIDF. These members were also asked to inform their colleagues of the event.

**Goal 5 - To enable a delegation of four SANCIDF officials to take part in the Global Dairy Conference**

***Achievements***

At their August meeting the E.C. decided to make four online registrations, one for Cape Town and three for Pretoria to cover the three concurrent sessions running on the last two days. Included in these registrations were the opportunity to view all of the presentations delivered at the GDC for a year after the conference.

Although GDC was a hybrid event (in person. participation is possible) the decision taken by the E.C. was partly due to the uncertainty around Covid-19 in SA but also to save costs
