

Skills and Knowledge Development in the Primary Industry

(PRJ-0307-2022)

Milk Producers' Organisation

Quarter 3 2022/2022 (July 2022 till September 2022)

Project goals

Goal 1 - Interactions in respect of acts, regulations, policies, procedures as well as skills and knowledge development needs in the dairy industry, with authoritative bodies in the public sector and representatives of other industries.

Achievements

During the 2nd quarter the MPO Training Institute submitted a proposal via the AgriSeta to the QCTO for the revision of the dairy occupational qualification. During the 3rd quarter the MPO Training Institute had to submit a new proposal as the wrong procedures and documentation were initially followed and forwarded by the AgriSeta. The QCTO approval for the revision process is still awaited. It is envisaged that the revision process will only commence in 2023.

The MPO Training Institute also applied for AgriSeta funding for the appointment of a Community Expert Practitioner to facilitate the revision process. An amount of R189 000 was approved by the AgriSeta during the 3rd quarter.

On 19 July 2022 the QCTO conducted a site visit and evaluation at the MPO Training Institute whereafter accreditation as skills development provider (SDP) was awarded on 02 Aug 2022 (07-QCTO/SDP280722-7021).

No Non-achievements / underperformance has been reported

Goal 2 - Continuous evaluation of the current dairy occupational curriculum to determine whether amendment is necessary to the curriculum design, learning materials, assessment tools or quality management system. Amendment depends on technology development, production procedures and requirements set by relevant bodies in the public and private sector.

Achievements

AGRISETA

13 July 2022. The MPO Training Institute attended an AgriSeta Roadshow at the Birchwood Hotel in Boksburg. AgriSeta addressed all stakeholders and reflected on the 2021/22 financial performance, medium to long term strategic focus, annual performance plans, changes in discretionary grants policies, as well as procedures and the discretionary grant funding application window.

01 Aug 2022. The MPO Training Institute participated in a research survey commissioned by DALRRD to determine what constitutes the priority skills and occupations in the agricultural sector. The aim of the research is to enable DALRRD to implement actions to address skill shortages.

14 Sep 2022. The MPO submitted a proposal for discretionary grant funding. The proposal involves dairy skills development workshops and short courses for dairy farm employees.

MILK SA
