

Membership of and interaction with the International Dairy Federation by the SANCIDF - 2022

(PRJ-0321-2022)

SANCIDF

Quarter 2 2022/2022 (April 2022 till June 2022)

Project goals

Goal 1 - To maintain membership of IDF by paying the membership fees of IDF and IMP before 31 March 2022 at the best possible exchange rates.

Achievements

The IDF membership fee for 2022 was fully paid in November 2021

No Non-achievements / underperformance has been reported

Goal 2 - Review SA representatives on IDF bodies (SC'S, AT'S etc.) so that the best-qualified persons can represent SA on these bodies.

Achievements

No changes were made to SA's representatives on IDF bodies in the second quarter.

No Non-achievements / underperformance has been reported

Goal 3 - Ensure appropriate and timely (before set deadlines) inputs by SANCIDF and SA representatives on IDF bodies to IDF.

Achievements

Only one questionnaire, Global Marketing Trends, was received in this quarter and a reply was tendered nine days later

Non-achievements / underperformance

3 Questionnaires received in the previous quarter were not completed before the deadline in May.

Reasons for non-achievements / underperformance

The new Technical Secretary was exceptionally busy during April and May and these replies slipped by.

Planned remedies for non-achievements / underperformance

The Technical Secretary will take special care that this will not happen again

Goal 4 - Promote the forthcoming World Dairy Summit amongst dairy industry role-players by forwarding all promotional e-mails to MPO/Sampro/ DAFF representatives and South African SC members as well as articles about the WDS in industry publications.

Achievements

Two press releases on the World Dairy Summit were received in the quarter and both were circulated to industry representatives as well as to Standing Committee members and a representative of the SA Society of Dairy Technology.

No Non-achievements / underperformance has been reported

Goal 5 - To enable a delegation of four SANCIDF officials to take part in the Global Dairy Conference 2021.

Achievements

Provision was made in the budget of four SANCIDF officials to take part in the World Dairy Summit but otherwise, this goal is not applicable to this quarter as the Summit only takes place in September.

No Non-achievements / underperformance has been reported

Goal 6 - Delegates to the WDS to give meaningful feed-back to the local dairy industry within one month after their return in a format prescribed in a contractual agreement with SANCIDF.

Achievements

This goal will only apply to quarter 4

No Non-achievements / underperformance has been reported

Goal 7 - Print and distribute to levy payers a collection of all delegates'

reports.

Achievements

This goal does not apply to this quarter

No Non-achievements / underperformance has been reported

Goal 8 - Fund travel and accommodation expenses to SANCIDF officials and SC members who need to travel to attend EC and AGM meetings.

Achievements

No meetings were held this quarter and therefore no traveling had to be funded

No Non-achievements / underperformance has been reported

Goal 9 - Obtain annual reports from South African representatives on IDF bodies (Standing Committees, Action Teams, etc.)

Achievements

This goal does not apply to this quarter. The AGM of SANCIDF was held in the first quarter and the annual reports from SA representatives on IDF bodies were attached to the first quarter report.

No Non-achievements / underperformance has been reported

Goal 10 - Make information about documents produced by the IDF (Bulletins, Standards and Newsletters) available to levy payers and the general public by publishing the titles on the Milk SA website and in The Dairy Mail and Milk Essay

Achievements

Although not a Bulletin, Standard or Newsletter, a very informative document was produced by IDF in May. It is the IDF Programme of Work and a copy of it is attached to this report. It gives an overview of all current running projects as well as the current status. It is a very insightful document.

Of the other documents, one Standard, 2 Bulletins, 5 Press releases and 4 News Items were received from IDF during this quarter namely:

Standard:

A revised version of-ISO 8196-3 | IDF 128-3 Milk -- Definition and evaluation of the overall accuracy of alternative methods of milk analysis -- Part 3: Protocol for the evaluation and validation of alternative quantitative methods of milk analysis.

Bulletins:

Bulletin 516: Heat Treatment of Milk

Bulletin 517:
