

Membership of and interaction with the International Dairy Federation by the SANCIDF - 2022

(PRJ-0321-2022)
SANCIDF

Quarter 3 2022/2022 (July 2022 till September 2022)

Project goals

Goal 1 - To maintain membership of IDF by paying the membership fees of IDF and IMP before 31 March 2022 at the best possible exchange rates.

Achievements

The IDF membership fee for 2022 was fully paid in November 2021

No Non-achievements / underperformance has been reported

Goal 2 - Review SA representatives on IDF bodies (SC'S, AT'S etc.) so that the best-qualified persons can represent SA on these bodies.

Achievements

Mr. Stephan Steyn who was the SA representative on SC Dairy Science and Technology resigned on 25 August 2022 as he had accepted an appointment with Arla Foods Ingredients in Denmark. The National and Technical secretaries are looking for a replacement for Mr. Steyn and an appointment will be made in the next quarter.

At the request of Mr. Kraamwinkel, the Executive Committee appointed Dr. Ndumiso Mazibuko as additional representative on the Standing Committee on Dairy Policies and Economics

No Non-achievements / underperformance has been reported

Goal 3 - Ensure appropriate and timely (before set deadlines) inputs by SANCIDF and SA representatives on IDF bodies to IDF.

Achievements

The following Questionnaires were received in this quarter:

IDF Questionnaire 0622/SCENV - Survey on the ratification of the IDF Global Carbon Footprint standard for

Non-achievements / underperformance

Q.0822 was not completed and returned before the due date.

Reasons for non-

the dairy industry

Questionnaire 0722- Survey on the incorporation of IDF authorship and as part of the IDF catalogue of the LCA guidelines for calculating carbon sequestration in cattle production systems.

Questionnaire 0822/SCAMDM: Yogurt — Identification of characteristic microorganisms (*Lactobacillus delbrueckii* subsp. *bulgaricus* and *Streptococcus thermophilus*) - AMENDMENT 1: Inclusion of performance testing of culture media and reagents - ISO/DIS 9232 | IDF 146: 2003/Amd 1: 2022

Questionnaire 0922/SCMH: Practical Considerations of Sampling for Monitoring the Microbial Quality of Dairy Foods - IDF Bulletin 5xx-2022

Questionnaires 0622 and 0722 were completed and returned but not Q.0822 due to pressure of work by the SC member. Q.0922 only needs to be returned in the next quarter.

achievements / underperformance

Pressure of work by the responsible SC member.

Planned remedies for non-achievements / underperformance

An email was sent to all primarius SC members requesting them to contact the National or Technical secretary if they were unable to complete questionnaires before due date.

Goal 4 - Promote the forthcoming World Dairy Summit amongst dairy industry role-players by forwarding all promotional e-mails to MPO/Sampro/ DAFF representatives and South African SC members as well as articles about the WDS in industry publications.

Achievements

Two press releases and three promo emails on the World Dairy Summit were received in the quarter and all five were circulated to industry representatives as well as to Standing Committee members and a representative of the SA Society of Dairy Technology.

No Non-achievements / underperformance has been reported

Goal 5 - To enable a delegation of four SANCIDF officials to take part in the Global Dairy Conference 2021.

Achievements

Mr. Fanie Ferreira (MPO), Mr. Jompie Burger (DSA), Dr. Colin Ohlhoff (Fair Cape) and Dr. Ndumiso Mazibuko (Sampro) were delegated to attend the World Dairy Summit in Dehli, India as well as the preceding IDF business meetings (Standing Committees, Secretaries, Farmers Round Table etc.). Due to the fact that the budget for four persons to attend the WDS was drawn up in approx. Sept. 2021 registration fees together with flight and, accommodation costs, was based on historical figures for registration fees and internet derived costs for the rest. This led to a substantial under budget which will result in similar over expenditure. The attached financial statement reflects an over expenditure of R16 379 with some unclaimed costs still outstanding.

No Non-achievements / underperformance has been reported

Goal 6 - Delegates to the WDS to give meaningful feed-back to the local dairy industry within one month after their return in a format prescribed in a contractual agreement with SANCIDF.

Achievements

Will only apply to quarter 4

No Non-achievements / underperformance has been reported

Goal 7 - Print and distribute to levy payers a collection of all delegates' reports.

Achievements

This goal does not apply to this quarter

No Non-achievements / underperformance has been reported

Goal 8 - Fund travel and accommodation expenses to SANCIDF officials and SC members who need to travel to attend EC and AGM meetings.

Achievements

Due to facilities developed during the Covid-19 lockdown, no traveling to local meetings had to be funded during this quarter.

No Non-achievements / underperformance has been reported

Goal 9 - Obtain annual reports from South African representatives on IDF bodies (Standing Committees, Action Teams, etc.)

Achievements

Not applicable to this quarter. Annual reports were submitted in Q.1.

No Non-achievements / underperformance has been reported

Goal 10 - Make information about documents produced by the IDF (Bulletins, Standards and Newsletters) available to levy payers and the general public by publishing the titles on the Milk SA website and in The dairy Mail and Milk Essay

Achievements

Four Bulletins, 10 press releases and 7 news items were received this quarter namely:

Bulletins:

Bulletin 517: Eco friendly and energy saving dairy technologies

Bulletin 518: World Dairy Situation Report 2022

Bulletin 519: C-sequ Life cycle assessment guidelines for calculating carbon sequestration in

cattle production systems.
Bulletin 520: The IDF global Carbon Footprint standard for the dairy sector
