

Milk SA - Dairy Regulations & Standards 2023

(PRJ-0352-2023)

Dairy Standard Agency

Quarter 3 2023/2023 (July 2023 till September 2023)

Project goals

Goal 1 - Deliberation of industry regulations relating to food safety, product composition, metrological and related standards as well as voluntary industry related standards e.g. animal welfare and related matters.

Achievements

Extensive deliberation in respect of the draft R3337/ 2023, Regulations relating to the labelling and advertising of foodstuffs, R1510/2019 Regulations relating to dairy and imitation dairy products, SANS 1694 Welfare of Dairy Cattle and SANS1448 Transport of Livestock took place during the third quarter. Actions included industry consultations and submission of comments and draft proposals on behalf of the organised dairy industry.

No Non-achievements / underperformance has been reported

Goal 2 - Liaison with industry and statutory bodies in terms of draft, promulgated and repealed legislation and effective communication through the Milk SA organisational structures.

Achievements

Regular liaison with the Department of Health, Department of Agriculture, Land Reform and Rural Development (Directorates FSQA, Inspection Services and Veterinary Public Health) took place following which information was communicated to the organised dairy industry by the project manager.

No Non-achievements / underperformance has been reported

Goal 3 - Liaison and consultation on an internal and external basis and comment within specified time frames via Milk SA organisational structures

Achievements

Consultation withing the Milk SA structures included sharing information with Milk SA advisory commitees namely DRDC, Milk SA Project Coordinating Committee, Sampro and Milk SA. Consultation with the SA Consumer Goods Council regularly took place in respect of regulatory matters. (please see attached report)

No Non-achievements / underperformance has been reported

Goal 4 - Report to industry via Milk SA structures

Achievements

Reports to Milk SA regarding regulatory matters were done continiously regarding export requirements, chemical residue monitoring, amendments in regulations and comments on draft legislation. (please see attached report)

No Non-achievements / underperformance has been reported
